ELECTION

Madam:

This is in response to the United States Patent and Trademark Office Action mailed May 1, 2006, which response is being made on or before June 1, 2006 and for which no extension fees are due.

The Examiner has required Applicant to elect one of the following disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable:

Species I: claims 3-5, 13-16, 30-34 and 37

Species II: claims 17, 18, 35 and 38

Species III: claims 26-29, 36 and 39

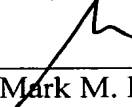

Species IV: claims 40-42

Species V: claim 43

Applicant elects Species I.

Applicant also notes that there is no claim 43 pending in the above-identified patent application. Applicant presumes that the Examiner intended to classify claims 40 and 41 as Species IV and claim 42 as Species V.

Respectfully submitted,

---
